

## **InfraPPP Advisory Services shortlisted for AfDB advisory tender**

**InfraPPP Advisory Services has been shortlisted for the services as part of a team composed of international legal and technical firms.**

The objective of the study is to prepare concrete proposals for financing of potential PPP port projects in Africa and advisory/knowledge services to assist the public sector in preparation of potential PPP port projects, with the view of scaling up the African Development Bank's interventions in the maritime transport sector.

Alvaro de la Maza, Partner of InfraPPP, says:

“Ports are basic infrastructure very needed in Africa. This study is crucial for the development of the sector in the continent. InfraPPP Advisory Services offer a good range of services to governments and public agencies looking at privately financed projects.”
